Some verses - there are many :-)

An old man lay down by a sewer
And by a sewer he died.
Now, at the coroner's request,
They called it sewer-side.

Mary had a little watch
She swallowed it one day
And so she took some castor oil
To pass the time away.

The castor oil it did not work
The watch refused to pass,
So if you want to know the time,
Just look up ... at the clock.

Mary had a little lamb,
Her father shot it dead,
She still takes the lamb to school
Between two bits of bread.

My uncle was a chemist.
A chemist he is no more.
For what he thought was H-2-0
Was H-2-S-0-4

Oh, of all the fishes in the sea,
My favorite is the bass,
He climbs up in the seaweed trees,
And slides down on his hands and knees.
